## PRACTICING THE PRINCIPLE OF FIRST FRUITS

### Why Automatic Debit Withdrawal for your Tithe?

You pay your mortgage or rent, your insurance & perhaps even your cable with automatic debit withdrawal! Why? Because these things are important.

What about God? Should you consider giving your tithe on automatic debit withdrawal?

We recognize that God has called us to be good stewards of all that He has entrusted to us. We realize that there are a number of ways and methods that we can give back to Him. Our time, talents and money are key areas for us to focus on.

Regular committed stewardship is a major faith step & yes, at times, a great challenge. However, our God is great & is indeed "able to supply all our needs".

Automatic Debit puts your regular tithing to God on the same level as your mortgage or rent, your insurance & your cable! It is convenient & intentional. It's about the *Principle of FIRST Fruits*.
